Hello Daniel, Reina and Michele,

So I wanted to reach out to you about the BID's scheduled board meeting on Monday, June 11th starting at 4:00 pm.

Per our last meeting discussion, I believe that this would be a great opportunity for some outreach regarding addressing the larger trash and illegal dumping issues that we are experiencing on the BID. Is it possible to have a representative from LA Sanitation and Republic Services present at the meeting and maybe even include them in the meeting agenda?

Topics of discussion could be how to discuss what level of trash service is appropriate, billing issues, ways to mitigate higher service costs, usage of the MyLA311 service, etc.

Let me know if you are interested.

Sincerely,

Moises Gomez
